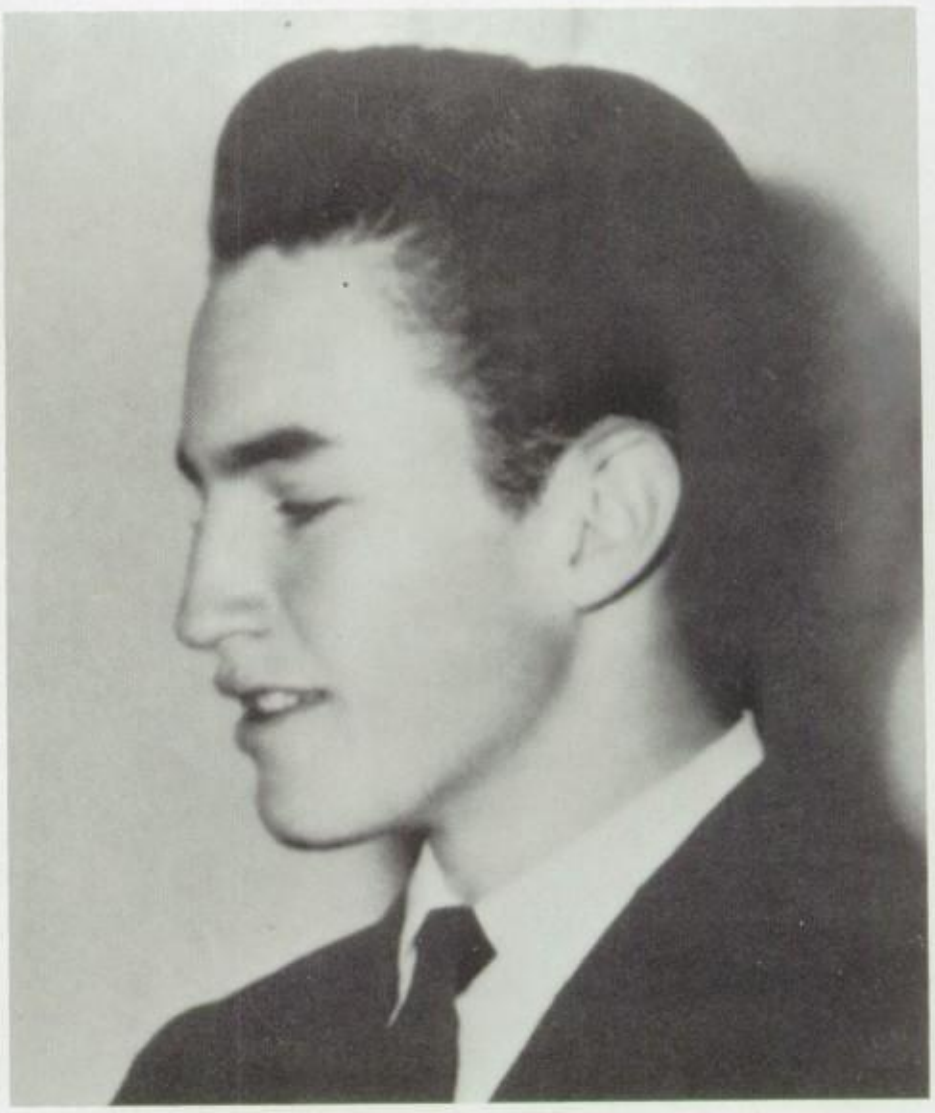
FOREWORD

The preparation of this annual has been a challenge to us. It has required the cooperation of our sponsor, staff, students, and those who have so generously contributed their support through advertisements. Our thanks go to everyone who has helped us.



We hope that you will find in these pages warm and happy memories of classmates, teachers, and activities that were a part of your school life at Muenster Public High in 1967-68.

We wish to include among these memories three former classmates, Lawrence (Butch) Bruns, Stephen Endres, and Glenn Owen, who were taken suddenly from our midst. Their actions, humor, and sincerity live forever in our hearts and it is with great respect and honor that we present the 1968 edition of the HORNET in memory of them.

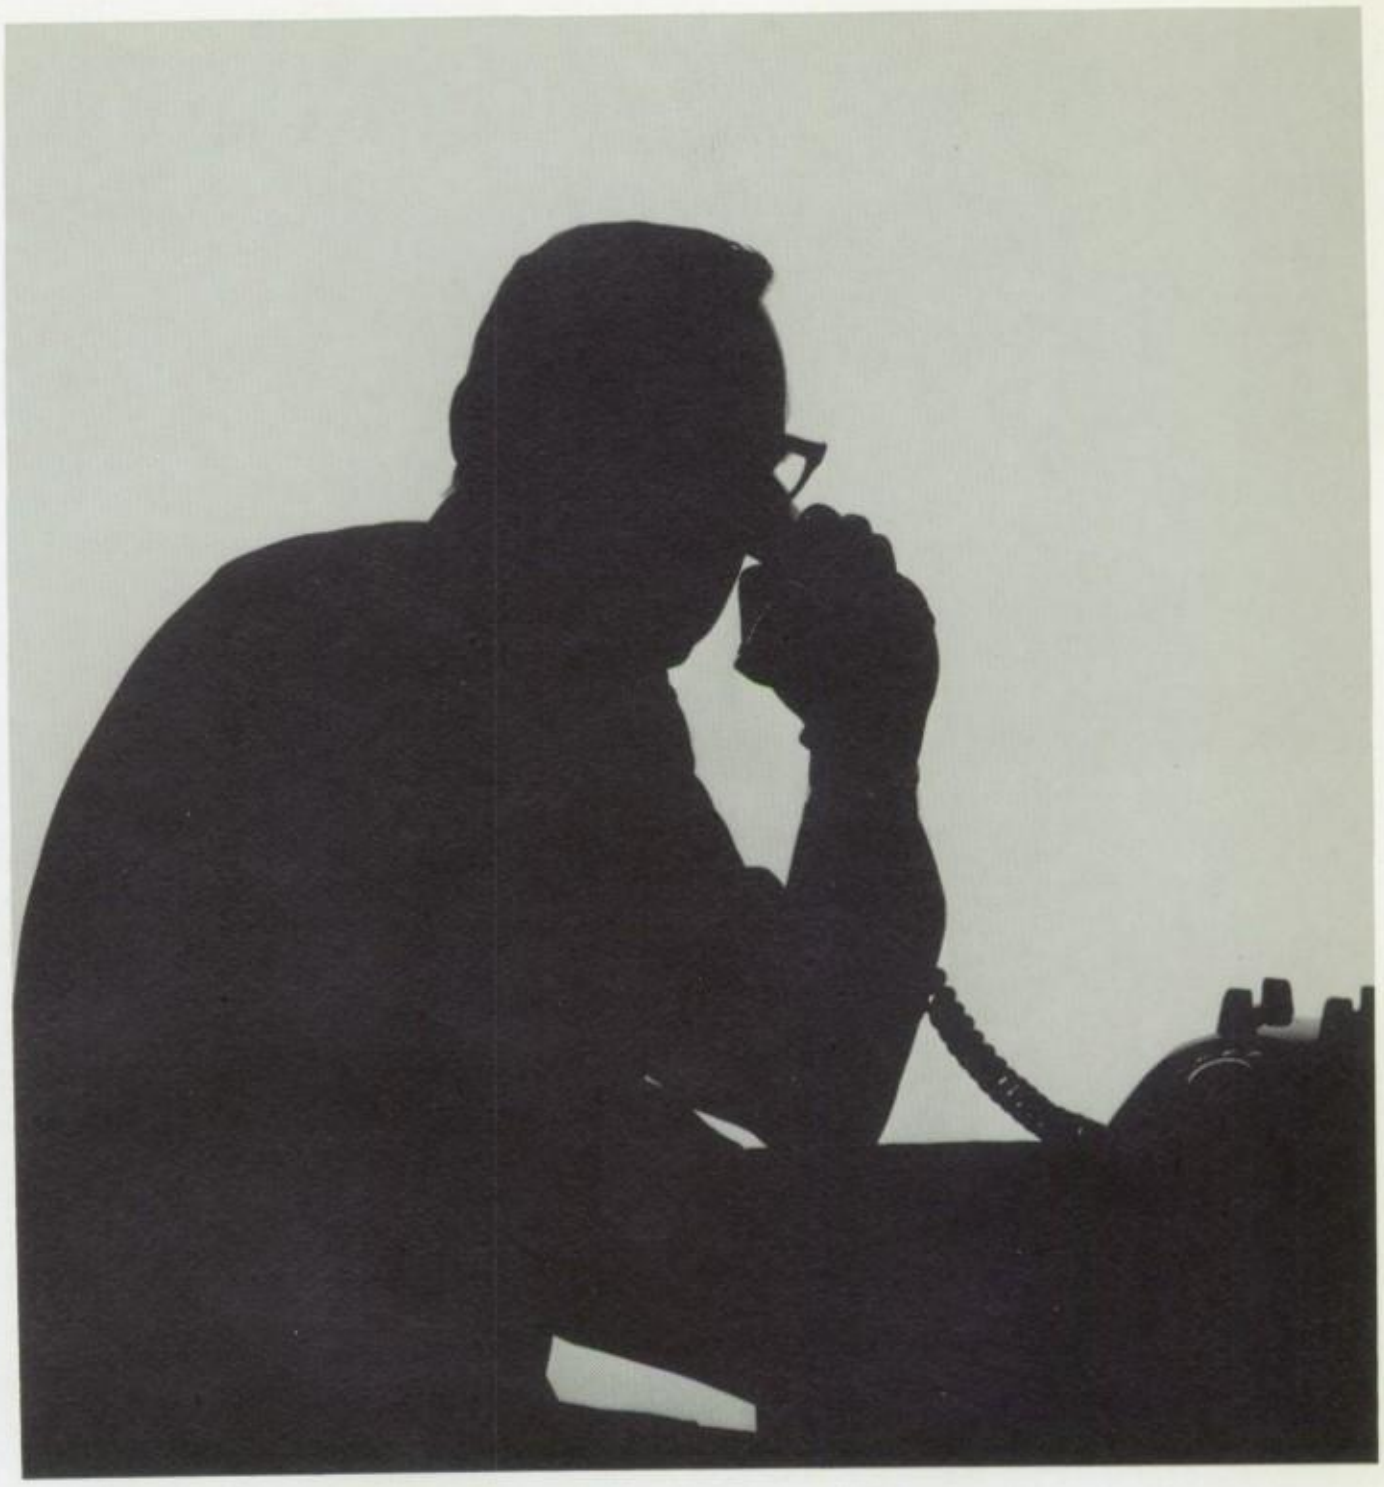
BECAUSE WE ARE GRATEFUL
WE DEDICATE THIS BOOK

The Seniors of M. H. S. want you to know that your untiring efforts in their behalf are gratefully appreciated. We sometimes lose count of the many hours you have so unselfishly given for us. Your warm personality never fails to guide us and give us strength to carry out our goals. It is for these reasons that we dedicate this yearbook to Miss Bettye Dodds for her perpetual loyalty and friendliness to all.



ADMINISTRATION

MEET THE ADMINISTRATION

MR. L. B. BRUNS ...

is a well-educated, distinguished-looking man. He is the kind of person any school would be proud to have as its superintendent.

This man knows every phase of running a school and can meet almost any crisis with a calm and knowing manner. He taught industrial arts 10 years, and was part-time principal 5 years, before becoming superintendent in 1959.

As a father, former teacher and principal, he knows the need for good schools and education.

MR. C. O. CASH ...

is as much fun, under that reserved nature, as anyone could be. His warm, easy smile makes him the perfect principal.

He is a man who enjoys fishing and hunting ... who can be found almost any weekend at a lake ... who is an active member of the Church of Christ. He can do lots of things - office work, coach, counsel all ages of youngsters, and smooth out lots of gnarled problems.

With the student's educational needs in mind, he is the professional leader of the teachers, students, and patrons of our school system.

PROPHECY

It is now the year 1978. We are driving around making a survey of the Class of 1968. MIKE FELDERHOFF, successor of Hue Huefner is now owner of the "Bunny Honey Club." He was passing thru on his way to Pilot Point and he stopped to talk to us and to show us his 3 new Bunny Honeys. They are LUCILLE TEMPLE, who won her fame in "Cool Hand Luke," Bashful ANNIE SICKING, and GRACIE "Crazy Legs" MOSTER. He made his regular stop to practice the dying out art of calling his sows at his farms. He is so good at saying, "Sue Pigs." Boozing it up at a local bar, we were amazed to find TOMMY TUGGLE, now president of the Liquor Control Board, sipping milk with Senor Jose Yosten, known to us as STEVE YOSTEN, who is now the local fuzz. KAREN VOGEL and RITA FETTE were once making millions with their pet shop. Now Karen is suing Rita because her dogs attacked her cats. Driving down the street, we heard on the radio a familiar "Hi There!" from a famous radio program called "Rambling With Jackie." JACKIE WIMMER now announces "This program is sponsored by BELL BROADCASTING in St. Jo. Alert! Hit the deck! The famous trio Orville, Wilbur, and newest member GORT TRACHTA, are making another of their famous flights in their Kitty Hawk. They are probably flying down to see the sheep herder HERBIE SICKING and his lovely wife ROSE. By the way, "Congratulations" on the birth of your triplets, Herb. He is so well off that he has 3 maids to take care of the triplets - old maids in fact. They are PAULA HERR, FAYE EMBREY, and SHARLENE WIMMER. They just never seemed to find the right boy. Among the list of newly married couples are Bonny and Clyde, known to us by the name of LEON WALTERSCHEID and PATSY FLEITMAN. They just got finished with the rerun production of "Mini Bonnie and Hippie Clyde." Next part of our survey we found DEBBIE RUSSELL at her charming beauty shop. She also specializes in styling of men's long hair. Next to her shop is the famous "Itty Bitty Twiggy" Modeling School, owned and operated by BETTY KNABE. We were happy to hear that Mr. Gareld Payne was replaced by RICKY HUDDLESTON at Bug Tussle, Texas. Mr. Payne was growing old and out of tune. We are sorry to hear that the famous mathematician MONA VOTH has contracted a dreadful disease, "Trigitis." Dr. SHIRLEY KLEMENT, who helps her husband milk cows in her spare time, is assured of her immediate recovery. DEBBIE CLER and LINDA WILSON, former nurses of Dr. Klement's Clinic have since gone their separate ways. Debbie Cler we hear has just joined the Waves. Seems she has a friend in the Navy. We haven't figured it out as of yet. Linda Wilson has pursued her career as a replacement of "Meadowlark Lemon" of the world famous Globetrotters. This is the end of our survey. We are proud to announce that GLENDA WASSON, the famous prophesier of the future has made these ultimate predictions of her former classmates. In addition, she has made this comment, "Srs. of 68 are the best" - wait a minute, I think she meant Srs. of 69 are the best!

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY

THE WHITE HOUSE

WASHINGTON

TO THE 1968 GRADUATING CLASS
MUENSTER HIGH SCHOOL

Let me extend to each of you the warm congratulations of a former teacher who, in spirit, shares your sense of achievement.

You have laid a foundation for useful and satisfying lives. Before you get on with the work, I would like to offer a few thoughts that you may find useful.

The passion to succeed, to achieve great things, is strongest in youth. Heed it. Do not squander your lives in petty pursuits. Commit yourselves now to a course that will strengthen you for the trials and opportunities of life.

Prize your individuality always. Whatever your place in society, whatever your work, do not surrender your self-reliance or compromise your independence. Liberty is and always will be your most precious possession. Guard it well.

Direct your energies, your talents, and your desires to what is best for yourselves and best for your country. We look to you to redeem what is wrong in our national past and to build what will be great in our national future.

Let this be your wish: that you may look back upon this graduation - from no matter how many years hence - with the conviction that you have treated all men with honesty and goodwill, that you have put your heart into your work, that you have done your best.
